Re: Application for minor amendment to planning approval WB/10/0617/FULL
Worthing Hospital Lyndhurst Road Worthing

I am writing to inform you that the Council has decided to **approve** the application for a minor amendment for the proposal described below and as shown in Drawing Nos. E(05)001 Rev. P3, E(05)002 Rev. P3, E(05)003 Rev. P3, E(05)004 Rev. P3, L(05)001 Rev. P14, L(05)101 Rev. P14, L(05)201 Rev. P5, L(05)301 Rev. P5, L(95)001 Rev. P4, S(05)001 Rev. P3, S(05)002 Rev. P3 and S(05)003 Rev. P3.

WB/10/0617/FULL/NMA1 - Application for non-material amendment following grant of planning permission WB/10/0617/FULL for a new two storey healthcare facility comprising ground floor outpatients' services and a 40 bed ward at first floor level with plant and office accommodation within the roofspace.

The building has been redesigned following a final review by the NHS Trust as follows:-

1. the overall footprint is reduced
2. the north west stair tower is re-orientated
3. the north elevation of the children's centre is revised
4. the landscaping is amended to allow for fire tender access
5. the east and west elevations have been slightly amended due to the reduction in length from north to south.

The rearrangement of rooms on the three floors is essentially internal and has not influenced the external changes which are not significant and equally acceptable and do not change the fundamental considerations of the overall scheme.
