SCHEDULE

Reasons for Granting Permission

01. The proposed development would not detract from the local environment and can take place without resulting in unacceptable detriment to the amenities of neighbouring properties. It would consequently not conflict with the saved policies of the Adur District Local Plan (AG1, AH7) or the policies of the South East Plan (CC1, CC6, BE1)

Conditions

01. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: *To comply with Section 91 of the Town and Country Planning Act 1990.*

02. The external wall finish of the conservatory hereby permitted shall, prior to commencement of its use, be completed to match that of the existing dwelling.

Reason: *In the interests of visual amenity and to comply with saved policy AH7 of the Adur District Local Plan.*

03. This permission relates to the following approved plan received 4 July 2012:

Plan No. 4589 (Location Plan, Block Plan, Floor Plan and Elevations)

Reason: *For the avoidance of doubt and in the interests of proper planning.*

Informatives / Notes to Applicant

01. Precautionary land contamination

If during development, any visible contaminated or odorous material, (for example asbestos containing material, stained soil, petrol/diesel/solvent odour, underground tanks or associated pipework) not previously identified, is found to be present at the site, then no further development (unless otherwise agreed in writing with the Local Planning Authority) shall be carried out until it has been investigated by the developer. The Local Planning Authority must be informed immediately of the nature and degree of the contamination present and a method statement detailing how the unsuspected contamination shall be dealt with must be prepared and submitted to the Local Planning Authority for approval in writing before being implemented.
