Dear Peter,

RE: **AWDM/1630/24 – 96-98 South Street Lancing West Sussex**

Thank you for your consultation on the above site. We have reviewed the application as the drainage consultant acting on behalf of the Council and wish to make the following comments.

The applicant is applying for the change of use of north east part of Parish Hall from Class E to (C3) Residential and conversion of existing roof space, with new first floor window to side (north) elevation and rooflights to rear (west) roofslope. The application is to Adur District Council.

Following a review of the submitted information, we have no objection on surface water grounds. Due to the site, size, location, and type of development **we would recommend the approval of the application**.

Yours sincerely,

Sustainable Water Management Officer
