Dear Mr Morgan,
That is all helpful, thank you.
As you surmised, we would be accessing Redwood from the deck of Myrtle via a gangplank.
We might just be able to get her in then, provided the other permissions comevthrough on time.
Jessica.

Subject: Redwood

Dear Mr Morgan,
If planning permission is given to bring in Redwood in exchange for Myrtle, what is the earliest date by which I might hear?
The reason I'm asking is to see if there is any possibility of bringing her in on the high tides in September 9-11th? Because, if so, I need to find out how much notice the people bringing her in, or raising the footbridge, need.
Thank you very much,
Jessica Aidley
