Dear Ms Barker,

RE: 16 The Drive, Shoreham by Sea

Further to our recent meeting would you please find enclosed a revised plan showing the extension as subservient to the existing building and showing the adjacent path to the next property.

With regard to photographs, whilst clearly those bungalows in the immediate area have a similar situation and there are a few garages further down the drive on the west side where there is a fairly large area above the doors, they are not exactly the same.

Given that the situation is the same, or better, than the property to the north I hope you will now feel able to approve the plans.

If you have any further queries, please do not hesitate to call.
