Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Other
Comments:	This is commercial advertizing and should not be allowed on a building such as this. They can put their name over the door to the part they own. The Ropetackle word, apart from identifying an historic area, has a useful function in locating the area for visitors to the business centre, the arts centre and the residential area. Basepoint has no descriptive function.
