This application has been dealt with in accordance with the Development Control Scheme protocol for small scale proposals.

This application is for the installation of a medpoint prescription collection machine to the existing pharmacy shopfront window. The site is located on Rowlands Road, an unclassified road subject to a speed restriction of 30 mph.

Following an inspection of the submitted application documents, the proposed siting of the medpoint to shopfront is not anticipated to give rise to any adverse highway safety impacts.

In summary, the LHA does not consider that this proposal would have an unacceptable impact on highway safety or result in 'severe' cumulative impacts on the operation of the highway network, therefore is not contrary to the National Planning Policy Framework (paragraph 115), and that there are no transport grounds to resist the proposal.
