Comments Details

Commenter Type:	Parish Council
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The Council objects as this is a conservation area (or immediately adjacent to it) and is detrimental to the amenity of the area. The proposal is un-neighbourly, generating a level of activity predjudicial to the present character of the area and detrimental to the amenities of existing properties in the locality. It also agrees with the concerns of the other parties who have also made objections.

Kind regards
