Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Design - Highway Access and Parking
Comments:	I re-iterate my support for this proposal. Objections include (i) The proposal will make the roadway narrower. In fact it will not - it will effectively widen the roadway an access by approx 2 metres. and (ii) The proposal removes footpath access to Emerald Quay. Again - false! The pavement on the east side of the road is unaffected - except for the proposed additions of access slopes for prams and wheelchairs! The proposal eases access for the elderly and those with prams and pushchairs. I welcome this proposal Jonathan Sargent (EQ resident of 25 yrs +!)

Kind regards
