Commenter Type: Neighbour

Stance: Customer made comments neither objecting to or supporting the Planning Application

Reasons for comment: - Other

Comments: No objection as such but, since vehicular access to my property is itself in Greenoaks, adjacent to the applicant's property, can a stipulation be included, to the effect that contractors must NOT park their vehicles so as to impede my access / egress?

There is already a white 'access protection line' in place on the relevant section of highway outside my access gates; I simply request that this be respected.

Thank you.

Kind regards
