Customer Name: Mrs Laura Kingsley-Holmes

Address: 12 Prospect Place, Worthing, BN11 3BL

Quotation Dated: 3rd June 2024

Firstly, we would like to thank you for the opportunity to quote on the glazing works that you require. We hope we have captured your items correctly, but please read through quoted items below and advise if you have any changes to make?

Installation details

- Remove and dispose of existing and supply and install new frames as shown below
- White (to both sides) Primed Softwood Sapele timber windoos
- White locking handles to windows
- Double glazed 'A' rated units using clear toughened glass with white Georgian bars applied
- Trickle vents are now added to all frames so that they adhere to the doc 'L' guidelines. Trickle vents help to keep the air in our homes fresh and clean, as well as keeping condensation out and lowering humidity in a room.
- All items viewed externally and arrow points to hinged side

Location	Details	Cost
Bay Window	Sized 2 end fixed frames sized both @ 550 x 1600 and 2 front tilt and turn openers sized both @ 550 x 1600. All frames fixed panels, non-opening. 	£6,495.00 inc vat

Please note – Items are viewed externally. Sizes / Costs are approx and subject to site survey with regards to available styles etc. **All images shown are for illustration purposes only** and are not intended to be relied upon as they may not be an exact representation of the product, unless otherwise stated. If installations are stated as new fit into prepared openings, we assume that the internal aspects are being plastered up to therefore no trimming has been allowed for. If this is required it can be costed on site survey. All glass has been allowed for as clear 'a' rated glass with toughened where required. Access equipment (unless stated) has not been allowed for, we can provide costs if access equipment is required.

We ensure all waste is disposed of responsibly and our **waste transfer certificate** is available upon request. We clean down glass and frames before we leave site and any issues with installation / will need to be advised within 24hrs.

We are a FENSA registered member (16737) employing our own dedicated fitting teams, which means as soon as your new frame installation/s have been completed and payment received we will send you our 10-year guarantee which is also insurance backed by the Glass and Glazing Federation.

I hope the above will be acceptable to you and should you wish to proceed with your quotation we would require a 50% deposit leaving the balance payable on completion. Payment of deposit confirms your quoted items and any changes can only be made to items 48 hours after deposit received.
