Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	There is already enough noise and foul language coming from this pub, from the customers 'smoking area' to the east of the building, the staff break area to the north of the building, the emptying of bottles into the bottle bins at the north of the building and the emptying of the bottle bins into the recycling truck. We as residents adjoining the pub feel the addition of a garden bar will only make this noise pollution worse. Our adjoining elderly neighbours already refuse to sit in their garden due to the noise and foul language.

Kind regards
