The Adur District Council hereby certify that on 22/01/2009 (reference ADC/0032/09), the matter described in the First Schedule hereto in respect of the land specified in the Second Schedule hereto and edged red on the plan attached to this certificate, would have been lawful within the meaning of section 192 of the Town and Country Planning Act 1990 (as amended), for the following reason:-

01. The proposed building works fall within the definition of 'development' as defined by section 55 of the Act but, owing to the provisions of Class B of Part 1 of Schedule 2 to the Town and Country Planning (General Permitted Development) Order 1995 (as amended in 2008), constitute 'permitted development' provided they comply with the details shown on the submitted plan and the external tiles of the sloping roofs and the vertical tile hanging of the rear dormer and side gable walls are similar in appearance to the roof tiles of the existing house.

Notes

a) This certificate is issued solely for the purposes of section 192 of the Town and Country Planning Act 1990 (as amended).

b) It certifies that the matter specified in the First Schedule taking place on the land described in the Second Schedule would have been lawful, on the specified date, and thus, would not have been liable to enforcement action under section 172 of the 1990 Act on that date.

c) This certificate applies only to the extent of the matter described in the First Schedule and the land specified in the Second Schedule and identified on the attached plan. Any matter which is materially different from that described or which relates to other land may render the owner or occupier liable to enforcement action.

d) The effect of the certificate is also qualified by the proviso in section 192(4) of the 1990 Act, as amended, which states that the lawfulness of a described use or operation is only conclusively presumed where there has been no material change, before the use is instituted or the operations begun, in any of the matters relevant to determining such lawfulness.
