Reasons for comment:	- Other
Comments:	I would like to express my full support for Worthing FC and their planned refurbishment and proposed development works aimed at making the club more suitable for promotion. It is important to emphasize that the club is not just about football, but also serves as a venue for various groups of people, including charities and young people who benefit from its facilities. There are some areas of the ground that require attention from a health and safety

standpoint, and as a supporter, I am excited to hear about the club's plans to improve the amenities and make it a more enjoyable experience for visitors. Furthermore, I believe that the proposed new stand would increase footfall and attract more people to the area, ultimately leading to increased revenue for the club.

Kind regards
