Comments:	To whom it may concern, I am writing to make you aware of the support I wish to have noted for your records.

I am aware that Worthing Football Club has plans with the council to make changes to the ground/club.

I feel this development will be an asset to the club, the team, and many locals who get to make use of the venue/grounds.
It has always been a pleasure to visit WFC, but these new changes will open more options for use by the locals and surrounding areas.

It serves as such a good venue for the local community bringing many groups together and supporting local charities, allowing the club to grow and progress is an important development for the area and community.

Kind regards
