Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	We support this application. The trees have suffered from a lack of maintenance over decades due to the TPO restrictions. They are now too large for the close proximity of properties and pose significant risks. It is always a shame to remove long-established tree(s). This application notes replanting provisions, so it is clear the applicants are mindful of mitigating the planetary loss/concerns.

Kind regards
