WORTHING SOCIETY CONSULTATION RESPONSE

AWDM/0345/25 | FLAT 1, 5 WYKEHAM ROAD, WORTHING, WEST SUSSEX BN11 4JG
Replacement of timber windows with uPVC windows (retrospective)

Thank you for requesting our comments regarding this retrospective application. This late Victorian/early Edwardian property is located within the Shakespeare Road Conservation Area. The building is included on the Council's Local Interest List.

I have now had the opportunity to discuss this application with our Heritage Team. In view of the location and character of the building we suggest timber windows or possibly a Wooden Heritage Style Window Frame, perhaps with a double pane, would be more appropriate here. We consider that Upvc windows are not appropriate in a conservation area.

Yours sincerely
