Comments:	Dear Sir/Madam, We don't want basically another coffee shop in the Southwick square, already three coffee shop here. Why don't you plan to open different kind of restaurant for the night business or paint shop or work shop car materials or parts , because it's only one restaurant in the square. Turkish food restaurant or some Asian restaurant. Always has been said that: coffee shop is enough

already in the square. That's why we are against and not happy that if you give the planning permission for the another coffee and sandwich shop in this area. Please consider that we need different type of business in this area but, not another coffee company.

Kind regards
