Comments:	The plan affects the building of Scallywags. I have been a customer here for 20 years, it will make the shop building unstable by cutting into the wall and roof. It will affect the business with unreasonable noise and dirt. Where are lorries etc supposed to unload right next to the level crossing on this busy road? The hairdressers have regular customers and if the shop has to close due to this work where do all the customers go and also a loss of earnings for the owner. Also the drainage and right of access will be taken away. Obviously drainage is a must for a hairdresser.

Kind regards
