Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other - Privacy Light and Noise
Comments:	My property backs onto the North Star public house, the noise from the customers using the garden pods is excessive. Unfortunately the language from some people using the pods is disgusting and my wife and I have had to go indoors for a bit of peace and quiet. Quite often rubbish is thrown over the fence. There is already a smell of burnt food from what I assume is a barbeque on the site during sunny days. I understand from my neighbour who have small children that they have complained both to the customers and the owner/landlord of the pub about the noise and language will little positive effect. Quite clearly the pods should have had planning permission before being put in place.

Kind regards
