Dear Sir/Madam,

Proposal: Conversion of garage to form a detached annexe, including single-storey extension to west with new pitched roof, parapet wall to east and alteration to access on north side.
Site: AWDM/0872/20: - 88 Hammy Lane, Shoreham-By-Sea, West Sussex, BN43 6BJ.

Thank you for your letter dated 16/06/2020.

Southern Water requires a formal application for any new connection to the public foul sewer to be made by the applicant or developer. We request that should this application receive planning approval, the following informative is attached to the consent:

A formal application for connection to the public sewerage system is required in order to service this development, please read our New Connections Services Charging Arrangements documents which is available to read on our website via the following link:
southernwater.co.uk/developing-building/connection-charging-arrangements

The disposal of surface water from this development shall follow the hierarchy within Part H3 of Building Regulations:

a) An adequate soakaway or some other adequate infiltration system.

b) A water course.

c) Where neither of the above is practicable: a sewer.

It is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its ownership before any further works commence on site.
