SCHEDULE

Reasons for Refusal

01. The proposal is unacceptable in that the excessive size, form and position of the proposed front and rear first floor extensions fail to relate sympathetically to the appearance, character, design or scale of the existing bungalow. The development would detract from the character of the existing bungalow constituting a visually dominant and inappropriate form of development and that would cause unacceptable loss of light and outlook to the neighbouring property to the immediate north. The proposal is therefore contrary to saved policy AH7 of the Adur District Local Plan and the NPPF.

Informatives / Notes to Applicant

01. The Local Planning Authority has acted positively and proactively in determining this application by identifying matters of concern with the proposal and determining the application within a timely manner, clearly setting out the reason(s) for refusal, allowing the Applicant the opportunity to consider the harm caused and whether or not it can be remedied by a revision to the proposal. The Local Planning Authority is willing to meet with the Applicant to discuss the best course of action and is also willing to provide pre-application advice in respect of any future application for a revised development.

02. This decision relates to the following plans: Drawing No:s 20601A, 22200, 22201, 22210, 22211 and 22220 Received on 05/11/14.
