Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	Comments in support of the Development on behalf of England Netball - Sussex Netball Development Officer. This facility would be a huge help for the netball community in West Sussex, across Clubs, School and Community Programmes. From Primary ages through to 80+ Walking Netball, this facility would support and enable netball to grow to its full potential in the area. Netball is currently limited due to lack of facilities like this in Sussex, so this would provide a great boost in participation for he county. The addition of floodlights would mean use all year round for Club training, Leagues, Community programmes such as Back To Netball, Netball Now and Walking Netball. This

large facility would be a welcome one to hold large scale festivals of netball and Netball Youth Camps in the School Holidays.

If I can support this facility in any way further please don't hesitate to get in touch - Hannah.Sturdy@englandnetball.co.uk

---

Kind regards
