Mr. P. Pennicott
Development Control Manager
Worthing Borough Council
Portland House
Richmond Road
Worthing,
BN11 1LF.

Dear Mr Pennicott,

Re: Application WB/11/0150/FULL, "Proposed extension to link.."

We were very disappointed to see yet another application for a further addition to Sunhill Court Nursing Home, making this building even more of an eyesore.

As this involves the addition of a window and fire exit door facing directly towards us, we strongly request that only obscure glass is used for the window, and that the door be unglazed. In order to keep the level of noise down we would like the window to be non-opening. We assume that the emergency light over the door will be of the minimum wattage compatible with its safety function.

Since we will already be suffering a great imposition from the first floor extension (which we were dismayed to see granted on appeal) we hope that consideration will be given to our proposals above, in order not to further compound the impact.

Yours sincerely,

[redacted]

Dr & Mrs D Storey
