WORTHING SOCIETY CONSULTATION RESPONSE
AWDM/1055/23 | WARWICK YARD, 20 BEDFORD ROW, WORTHING BN11 3DR
Replacement of timber-framed single glazing with timber-framed double glazing

Thank you for the opportunity of commenting on the above application. The building concerned is included on the Local Interest List and located within the South Street Conservation Area. It occupies a prominent site on the corner of Bedford Row and Warwick Street.

I have now had the opportunity to discuss the proposal with our Heritage Team and we consider this application is an improvement on the previous application for uPVC windows. We are pleased to note that the applicant has opted for a timber-framed window which will be in keeping with the character of both the building and the conservation area.

I am therefore pleased to advise you that we have no objection to this application.

Yours sincerely,

[redacted]
Worthing Society Chair
