Comments summary

Dear Sir/Madam,

Planning Application comments have been made. A summary of the comments is provided below.

Comments were submitted at 12/11/2026 1:07 PM from Mr Paul Green.

Application Summary

Address:	Land South East Corner Of Amberley Drive Marine Drive Worthing West Sussex
Proposal:	Commercial use of regenerated land, including use as a community green space for recreational and leisure use. Retention of land for biodiversity use. Bore hole for extraction of natural water. Use of land to produce natural green energy, for example solar. Provision of vehicle parking use (including overnight camping use for kite surfers and sea swimmers), 2 x 6m flag poles, provision of food and drink from temporary structures, mobile toilets, shower and baby changing facilities. Two recessed shipping containers for site storage and use. Tree shaded sandpit and tumble-down mound for young children and toddlers to use. Animals to use for entertainment purposes, for example Shetland ponies. A decorative flowerpot boat at site entrance. Bin storage use. A wheeled advertising trailer, measuring approx. 5 metres by 2.5 metres located within the site boundary to promote Worthing, local events and tourism.
Case Officer:	Gary Peck

Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity - Overdevelopment
Comments:	I object to this modified application for the following reasons:- 1. Development encroaches into the strategic open green gap between Ferring and Goring. 2. Very vague details on the use of animals for entertainment purposes. 3. The shipping containers are/will be an eyesore spoiling views northward from the Greensward and southward from Ilex Way. 4. The 2 x 6m flag poles will also spoil views northward and southward. 5. Use of land to produce natural green energy. Very vague solar or maybe wind turbines? 6. A wheeled advertising trailer. An old old advertising method and an existing eyesore on the site. 7. Development of the land has reduced the open land used by seabirds. 8. The Gap is unique in our local area ie open farmland running to the coast. It is a much used open space used by Goring, Ferring, Worthing residents and visitors to the area. 9. Any events organised for the site have the potential to cause vehicle parking problems and major traffic congestion on the local residential roads (as we experienced this summer).
