WEST SUSSEX COUNTY COUNCIL CONSULTATION

TO:	Adur & Worthing Councils FAO: Rebakah Hinke
FROM:	WSCC – Highways Authority
DATE:	7 November 2025
LOCATION:	33 Christchurch Road Worthing BN11 1JH
SUBJECT:	AWDM/0623/25 REVISED DESCRIPTION: Application to vary Condition 2 (capacity), to allow for 56 child/baby spaces at the nursery (increase of 6), and removal of Condition 3 (setting down area), of approved application AWDM/1620/14
DATE OF SITE VISIT:	n/a
RECOMMENDATION:	No Objection

WSCC as the County Highway Authority (CHA) has considered the proposal to increase the number of child spaces at Hopscotch Nursery by six spaces. WSCC raise no objection to this increase as it will not create any significant transport impacts. The site is located in a highly sustainable location and data from the nursery show that 85% of parents travel on foot to the nursery.

Based on this level of sustainable travel it would therefore be expected from any new children joining the nursery. If this was represented in the additional spaces at least one additional child being driven to the nursery.

No changes will need to be made to car parking provision and the increase in six child places will not generate any additional trip impacts in terms of delivery or staff requirements.

As such WSCC do not consider the proposal to create and highway safety or capacity impacts and no objection is raised.
