T.P. OFFICE COPY

Supporting Statement in respect of application for an illuminated fascia sign at 43 Warwick Street, Worthing.

The advertisement the subject of this application is of a design, size and provided with external illumination to reflect discussions held with officers as an acceptable replacement for the existing unauthorised illuminated sign that is currently displayed on the premises. It can be provided irrespective of the outcome of the planning application for the retention of the existing shop front below.

The advertisement will reflect the size of the original fascia sign and will be hand painted. External illumination will be provided by way of strip lights hidden behind a cornice detail along the top of the sign.

The advertisement will cause no harm to the character of the building on which it will be located, the adjoining listed building or the character of the street scene. It reflects the wishes of officers and as such it is anticipated that consent will be granted at which point the existing fascia sign will be replaced.
