Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise
Comments:	I am writing to express my concern at the proposed plans to build 2x3 bedroom houses in the bottom of a neighbours property which already has additional annexxe, is this not overdevelopment? These properties will face west looking to the rear of my property towards my sons bedroom window and other rooms dramatically affecting our privacy. Will the areas drainage network be able to cope with these additional properties? How can we ensure as neighbours this will not cause disruption/excessive noise as the development at the Windmill site caused including damage to lamposts and vehicles?
