Hello,

Hellen Wahlen [redacted] has sent you an enquiry from the Adur & Worthing Councils website. The page they sent the message from was:

http://www.adur-worthing.gov.uk/planning/applications/view/

Account / Reference number (if supplied): RE: Planning applications AWDM/1110/15 & AWDM/1112/15
Postal address (if supplied):

Their enquiry was:

Regarding building plans for 29 Firle Road. For the attention of Keith Dollimore. I attended a planning meeting at Lancing Parish Hall this evening and they reached a majority vote to object against the plans. The councillor at that meeting suggested that in light of numerous concerns that have been raised by myself and others that we request for the case to be discussed at a full planning committee. I do hope this can happen as do want to reach a fair outcome for all parties concerned. My objection is of course accessible online if you would like to take a look. I am not objecting to the property having a view, merely the scale and area of patio (height 1.8m and depth 11ft) which would not provide me with any privacy whatsoever as I would be continually overlooked whether on my balcony and/or my patio below. If they were limited to a balcony like ours (under 4ft) which was guided by planning laws when it was built 2 years ago, they would still be able to enjoy the view but would not be intruding on mine or other neighbouring properties privacy. I do hope we can resolve this fairly. I look forward to hearing from you. Miss Hellen Wahlen

Please reply to this email if required.

Thank you.
