WORTHING SOCIETY CONSULTATION RESPONSE

AWDM/101624: ST MATTHEWS CHURCH, 103 TARRING ROAD, WORTHING, WEST SUSSEX
The addition of a second heat pump to be installed at the rear of the Church hall

Thank you for requesting our comments in respect of the above Planning Application.

I have now had the opportunity to discuss the proposal with our Heritage Team and have the following comments:

"We consider the second heat pump will not have an adverse effect on the 'setting' of St Matthews Church and have no objection to the installation."

Yours sincerely,
