| Commenter Type: | Member of the Public |
| Stance: | Customer objects to the Planning Application |
| Reasons for comment: | - Design |
| Comments: | I would like to object to this application on the grounds of design, appearance, materials.<br><br>There are 2 doorways falling for consideration within this application.<br>Where it appears that the original doorway is remaining in its original position,<br>the extra second doorway and porch area would need to be |

constructed as as to match existing materials of other adjacent doorways and create a symmetrical visual impact.

Please note other than the aforementioned comments regarding materials and design, there is no further objection in principle
