Carlos

It's not nice, but it's mainly covered under Building Regs in terms of natural light, ventilation and means of escape, so no EH objections unfortunately.

Subject: Planning Application ADC/0333/05

Dear Bruce / Garry,

I've got a relatively straight forward planning application at 43 Valley Road, Sompting, for a single-storey rear extension, and would appreciate your views.

I have some planning concerns regarding the internalization of a bedroom, which would as a result of the extension only have a rooflight in the original roof plane for outlook or light. Is this a worry in Building Regs or Environmental Health terms?

Plans are on public access via the link below.

http://62.189.207.185/pap_adclive/framepage.asp?appnumber=ADC/0333/09&dc2=

Kind regards

Carlos Hone
