**Reasons for comment:** - Privacy Light and Noise
**Comments:** It appears that this development would make the property nearer to our own. As we both have very short gardens, and the Welland Close property is higher than ours, we would be more overlooked if there were to be windows at the rear of the extension. The wording of the application says "Single storey extensions to front, side and porch." but the plans show the new extension being beyond the line of the existing building at the rear.
