Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	I object to this building. Its south facing window is directly visible from my bathroom. The building seems far too tall, too close to the boundary, overloooking, and in contravention of planning regulations and permitted development. The applicant is a professional physiotherapist so I am also concerned that this will soon become a place of business.
