SUPPORT TO APPLICATION NUMBER ADC/0141/09

Change of Use from offices to childrens day care nursery for 43 children (Use Class D1)

Dear Ms Barker,

I am writing to give my support to the above application.

The development would provide much needed full day childcare in Shoreham-by-Sea which is currently served mainly by playgroups. Playgroups typically only take children over two years old and are not suitable for working parents as they only operate for limited hours and during term time only. Working parents require year round, full day care and this type of provision is severely limited in Shoreham. The current provision of mainly playgroups in the local area limits my choices regarding childcare which is in conflict with the requirements of the Children's Act 2006.

In March 2008 the West Sussex County Council completed a Childcare Sufficiency Assessment which specifically identified a shortage of "day nursery care for children aged 2 years and under across the (Adur) district".

The central location is easily and safely accessible by all users, especially local parents walking with buggies. The close proximity of Tarmount Lane car park provides any potential car users with a safe and convenient stopping area.

Yours sincerely

Signed K Ozanne
