Address:	112 Broadwater Road Worthing West Sussex

Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Other
Comments:	I strongly object to this planning as it will be an eyesore on the local area and not be in keeping to the local surroundings. The heights of these masts and accompanying boxes for all the wiring and power is not want we want in the area. There are also many potential health risks to such masts going up so close to private homes and the shopping community with the continuous EM Radiation that will be inflicted to humans and surrounding wildlife.
