Comments Details

Commenter Type: Neighbour

Stance: Customer made comments in support of the Planning Application

Reasons for comment: - Highway Access and Parking

Comments: I would like to offer full support for this application. I live opposite the property and the proposal will improve road safety and ease parking pressures by taking parked vehicles off of the road. A number of households in the vicinity have two cars creating on street parking capacity issues, this proposal will reduce some of the current pressures.
