Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Trees and Landscaping
Comments:	With regards to the trimming over overhanging branches of T1 Sycamore tree no objection other than concern for the safeguarding of the colony of bats that frequent the area in question. Second point is why the Elm tree has to felled to the ground and why similar trimming could not be effected without the loss of the tree. Again, the safeguarding of the bats environment is primary concern.

Kind regards
