• Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.

Description

Please describe details of the proposed development or works including any change of use.

Led by Southwick CC, Clubs in the Adur Council District, Sussex started an initiative to increase participation across all groups at a new site – Buckingham Park.
In the first season 3 affiliated club's men's teams played regularly at the site –
•Southwick CC, League Saturday Cricket
•Shoreham Swingers – Friendly Sunday Cricket
•Lancing Lightnings – Friendly weekend and mid-week games
All teams played midweek T20 cricket.
The intention is to now increase the use of the site for use by Women, Girls, Juniors and to do this we need to improve the playing facilities.

Southwick CC have for many years run junior teams and Allstars and Dynamo programmes at another site, the Green Southwick, and these have been greatly oversubscribed. To develop the large number of girls in these teams we have also started a women's and girls' team which has regular training sessions and matches.
To develop these programmes and meet the demand across Adur, (which we tested with trial sessions last year) we now want to run women's and junior sessions at our new site in Buckingham Park.
This request for planning will deliver a 30m x 2.74m non turf astro pitch to ECB standards suitable for juniors, women and disability cricket. Buckingham Park is a large high profile public park with amply space to support this facility and the current programme of matches has time in the schedule to allow for these events. The surface will be maintained by Southwick CC as part of our routine maintenance and will be available to promote and develop cricket for the clubs that use the site and the local community.
Southwick CC is Clubmark accredited and has the full support of the local council and the other teams across Adur who actively promote women's and juniors events.
Having this facility in place for the 2022 season will kick start our coaching programme and provided a valued focal point for the community raising the profile of cricket.
