Dear Mr Brian Lawrence,

THE TOWN AND COUNTRY PLANNING (TREE PRESERVATION) (ENGLAND) REGULATIONS 2012, SI No. 605
APPLICATION TO CARRY OUT WORK ON PROTECTED TREES
SITE AT: 21 Greenoaks, Lancing, BN15 0HN

We are in receipt of your appeal against the decision reached by the council following your application to carry out works on the above situated tree(s). This matter is receiving our attention and a further letter will follow in due course.

As you are likely to be aware, the spread of the Covid-19 virus has inevitably had an impact upon the activities of the Planning Inspectorate, including on appeals being determined by written representations. Unfortunately, this has generated a significant backlog which we are trying to clear. Please be assured that we are putting measures in place to deal with the current delays including the recruitment of additional resources and hope to recover our position once the government restrictions start to ease.

Should you wish to contact us in this regard in the interim please cite the appeal reference above.

Please do not post correspondence to the above address, use email instead.

Yours sincerely

Case Officer
