SCHEDULE

Reasons for Granting Permission

01. The proposed vehicular access assists in reducing on-street parking and does not detract from highway safety nor conflict with policies AG1 of the Adur District Local Plan.

Conditions

01. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

    Reason: *To comply with Section 91 of the Town and Country Planning Act 1990.*

02. No use of the vehicular access shall take place until a satisfactory kerb and pavement crossing between the boundary of the site and the adjoining carriageway has been constructed. The requisite specification can be obtained from the Area Highway Engineer, WSCC Southern Area Office, Clapham Common, Clapham, Worthing, West Sussex BN13 3UR. There shall be no drainage of surface water from the property onto the highway.

    Reason: *In the interests of highway safety.*

03. The access shall not exceed 3 metres in width and shall be laid out to provide visibility splays on each side of its junction with the existing public highway. These splays shall be 2 metres by 2 metres on each side of the access based on the existing highway boundary. No other work shall be carried out on the site until the above mentioned splay areas have been provided and thereafter they shall be kept free from any obstruction to visibility in excess of 0.6 metres above the level of the adjoining carriageway.

    Reason: *In the interests of highway safety.*

04. The works hereby permitted shall be carried out in accordance with the following approved plan: -

    Block Plan – received 3rd November 2010.

    Reason: *For the avoidance of doubt and in the interests of proper planning.*
