DATE OF SITE VISIT:	n/a
RECOMMENDATION:	More Information
S106 CONTRIBUTION TOTAL:	n/a

This application has been dealt with in accordance with the Development Control Scheme protocol for small scale proposals.

WSCC acting as the Local Highway's Authority (LHA) refer to your consultation in respect of the above planning application and would provide the following comments.

In principle the LHA accepts the proposed siting of the Cabinets and Highway works. However, the LHA asks, how does the LPA believe they can secure the details?

The applicant should also note that the highways works proposed will require a license or agreement and are recommended to contact the Local Highways Area Office first to seek any potential stopping up and construction works within the highway. The applicant is reminded that under the Highways Act 1980, any works without adequate credentials is an enforcable offence.

Please raise the above with the applicant and re-consult. Until such time, the LHA are not able to supply final comments until we receive the requested information as said above.

Stephen Garrard
West Sussex County Council – Planning Services
