Details of the pre-application advice received

The comments obtained were not strictly pre-application advice, however, the following was advised on the back of a refusal notice for another application (certificate of lawful development) in which we were urged to apply via householder planning.

'It is my opinion that if a planning application were to be submitted to enclose the space between the side walls to the rear of no. 10, it would receive a favourable recommendation'.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
