Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Privacy Light and Noise
Comments:	I wish to object to the planned apron roof, this makes the structure considerably higher than if a normal flat roof was used. The proposed roof nearly reaches the upstairs windowsills. It will cause some loss of evening sunlight on our patio and in our conservatory. I am also concerned that the extension is built over the sewer that serves our side of the road.

Kind regards
