Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	The proposed rear extension will exceed No. 9's extension thus blocking out light. I propose No. 10's extension match No. 9's extension in length. This will also see No. 10's extension in line with other single storey extensions to the west.

Kind regards
