Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	[redacted] I fully support the need for further rooms in privately run care homes in the Shoreham area. The only ones available to us at the time were the larger, clinical, non personal care homes. I have been to this home when working in the ambulance service and I can say it's one of the best for elderly care. Full support ?
