WORTHING SOCIETY CONSULTATION RESPONSE

AWDM/0217/25 | SHELTER WEST OF THE LIDO, THE PROMENADE, MARINE PARADE, WORTHING

Proposed re-positioning of Worthing Borough Council's existing Beacon

Thank you for requesting our comments in respect of the above application. The proposed re-siting of the Worthing Millennium Beacon is on the Promenade within the Marine Parade and Hinterland Conservation Area.

I have now had the opportunity to discuss this proposal with our Heritage Team who consider the Beacon to be an important element on the seafront. It is important that the Beacon shows to advantage and can be easily used for any future events. Following a discussion with the Councillor for Regeneration, we understand the reason for re-locating the Beacon is so that it will not be overshadowed or obscured by the return of the Wheel.

I am pleased to advise you, therefore, that the Society has no objection to the proposal.

Yours faithfully
