PLANNING SERVICES

15th January 2020.

Your ref: AWDM/1963/19.

Dear Ms Barker,

This is to be logged as a complaint against the retrospective application for the retention of rear outbuilding in south-east garden of Meadowsweet.

Whilst I have no objection to the building being used purely for private house i.e shed/summer house.

(In a previous planning application for the outbuilding to be used as an Air BNB, I have made my views to the negative.)

I do object to the outbuilding being used for any person or persons to reside in. This as stated above is with/has been logged on a previous application (AWDM/1648/19.)

Meadowsweets owners where advised that no persons or person should be residing in the property yet days after this was enforced 3 people where then living there 7 days a week up until 20th December 2019.

I have huge concerns that if permission is given for the outbuilding to remain that they will blatantly disregard the rules and regulations that will be set by you and we will be back to having a residency in the garden.

We do have proof of the persons staying in the outbuilding, as they moved all of their possessions

P.T.O

out of the property even including the sink/cooker unit and then returning it once the inspection had happened. This is then stored in the shed next to the building.

Yours Sincerely.

[redacted]

N.B. I did try to log this on line several times but to no avail hence a hand written letter.
