Account / Reference number (if supplied): AWDM/1810/16
Postal address (if supplied):
Contact telephone (if supplied):

Their enquiry was:

With reference to the above planning application, as a resident at number 4 Old Barn Way we feel the building of this property will have a major impact on an already over populated very busy road with very limited parking for existing residents causing great concern for Highway Safety on our road.
The design of the proposed property is totally out of character with the rest of the properties in the neighbourhood and although the application is for 140 Manor Hall Road it will have a greater impact on the residents of Old Barn Way as this is where the entrance is proposed in the planning application.
I feel the upper storey of the property will be overlooking our garden leading to a loss of privacy.

Please reply to this email.

Thank you.
